11		Artist: 14 Genre: 2 Style: 24	yes	no	no	Humans are visible as soldiers in the foreground near the base of the castle walls, while no animals or flowers are clearly depicted: depicted: depicted or or or or or or or or or or or or less than 10. So, let's check each part. First, has_human: there are soldiers in the foreground, so yes. Then has_animal: no animals visible. has_flower: no flowers. So the evidence sentence needs to cover all three. Let's make a concise sentence.
12		Artist: 14 Genre: 4 Style: 24	yes	yes	no	A human figure riding a horse is clearly visible in the foreground on the left, confirming both has_human and has_animal, while no flowers are present in the mountainous landscape.
