

WikiArt Visual Classification

Dataset: huggan/wikiart

Model: nvidia/nemotron-3-nano-omni-30b-a3b-reasoning:free

Sample 1

has_human: False

has_animal: True

has_flower: False

No human figures are visible. Two birds (animals) are present in the sky. No flowers or floral elements are visible.

Sample 2

has_human: True

has_animal: True

has_flower: False

Humans (angel, shepherds) and animals (sheep, dogs) are visible; no clear flowers are evident.

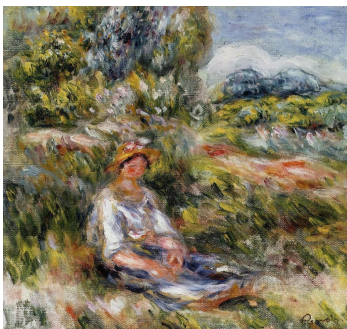

Sample 3

has_human: True

has_animal: False

has_flower: False

The image clearly depicts a human figure (a young man/boy) as the main subject.

Sample 4

has_human: False

has_animal: False

has_flower: False

Sample 5

has_human: True

has_animal: False

has_flower: False

Humans are visible (figures on shore and in boat), no animals or flowers present.

Sample 6

has_human: True

has_animal: True

has_flower: True

Humans are visible in the foreground and background; a cow is present; a potted plant with flowers is in the blue house's window.

Sample 7

has_human: False

has_animal: False

has_flower: True

The artwork depicts a bouquet of flowers in a vase, so flowers are clearly visible.

Sample 8

has_human: True

has_animal: True

has_flower: False

Humans are visible as small figures (e.g., near animals), animals like cows are present, and no flowers are visible.

Sample 9

has_human: True

has_animal: False

has_flower: False

The image contains multiple human figures (e.g., people with faces, bodies, clothing), while no animals, birds, insects, mythical creatures, or flowers are visible.

Sample 10

has_human: True

has_animal: False

has_flower: False

The image shows a human portrait with a visible human face and body, no animals or flowers.

Sample 11

has_human: True

has_animal: False

has_flower: False

Humans are visible on the boat; no animals or flowers are evident.

Sample 12

has_human: True

has_animal: False

has_flower: False

Human figures (armored individuals) are visible in the lower right area. No animals or flowers are present.

Sample 13

has_human: True

has_animal: True

has_flower: False

Human visible (rider), animal visible (horse), no flowers present.

Sample 14

has_human: False

has_animal: False

has_flower: False

ERROR: API call failed or exceeded 90 seconds. JSONDecodeError: Expecting ',' delimiter: line 5 column 11101 (char 11167)

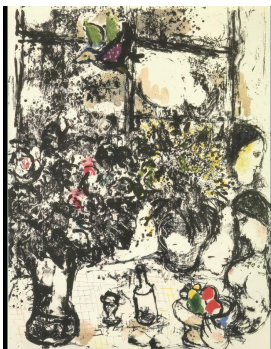

Sample 15

has_human: True

has_animal: True

has_flower: False

Human present (the woman), animal present (the bird on the right), no flowers visible.

Sample 16

has_human: True

has_animal: True

has_flower: True

The image contains a human face (right side) indicating a human presence, a bird (parrot) in the upper left indicating an animal, and multiple flowers (red blossoms) in the central bouquet indicating flowers.

Sample 17

has_human: True

has_animal: False

has_flower: False

The image depicts a human figure wearing a hooded garment, so has_human is true. No animals or flowers are visible.

Sample 18

has_human: True

has_animal: True

has_flower: False

Human figures are clearly visible (e.g., the two in the foreground, the kneeling woman, soldiers). A horse (animal) is present in the background scene. No flowers or floral elements are visible.

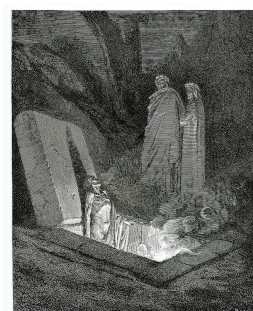

Sample 19

has_human: True

has_animal: True

has_flower: False

Humans are visible (e.g., figures near the arch and on the donkey), an animal (donkey) is present, and no flowers are evident.

Sample 20

has_human: True

has_animal: False

has_flower: False

Human figures are visible (Farinata in the tomb and two standing figures), but no animals or flowers are present.
